Main Activities

- TB Workplace Checklist – sector profile on current situation
- Round table discussion – scenario development

Round table discussions

Please answer each of the following questions on the following levels of implementation:

- In order to reach Zero New TB Infections what should be the 3 main priorities which we have to focus?
- In order to address these priorities, what should be our 3 main actions we need to take?
- According to you, who are the key role-players and stakeholders in these actions and what role will they play in addressing the identified priorities?
- According to you, what challenges may we face in implementing these actions and addressing the priorities?
- According to you, what are some of current lessons to be learned from which could provide recommendations towards the development of the strategic response framework for TB@Work?

Round Table Discussions

- Any additional comment?
- - Thank you for your participation.
